COVID-19 Update

The health and well-being of our employees, our partners, and the communities we serve is the top priority for Rosstown Natural Foods.

For the past 10 months we have worked diligently to ensure all protocols have been implemented to ensure the safety of our employees. We have been informed by Fraser Health of an outbreak and a small number of confirmed cases of COVID-19 at Rosstown Natural Foods at this time.

Following Fraser health's guidance all employees who have been potentially exposed have been told to self-isolate for 14 days at home.

We are continuing to work closely with public health authorities and the Canadian Food Inspection Agency to ensure all appropriate steps have been implemented.

We believe in transparency and communication throughout this COVID 19 situation and are committed to keeping you updated as the situation evolves. Thank you for your continued support through these difficult times. Should you have any questions please feel free to reach out to me.
