

Job description

Come and join our flock! We are a fourth-generation family run business and our mission is to provide Canadian families with a trusted, local source of healthy, high-quality poultry products. Farm-to-plate is our thing! as Western Canada's local premier poultry farm, we hatch, feed, grow and process organic, specialty and value-added poultry products following the highest quality standards and animal welfare practices. Join our family!

Morning and Afternoon shifts available.

What we offer

- Afternoon premiums on shifts after 10am
- Competitive wages
- Paid Vacations
- Eyeglasses
- Great deals on fresh organic poultry for you and your family or friends
- Full extended physical and mental benefits
- Company offered pension plan.

The Role:

The cut and pack room has multiple positions which prepares poultry for our end customers. Each position is on a dedicated line which has various functions.

- Packaging of poultry products
- Maintain production line speed while working.
- Assist with various tasks as assigned.
- Work as part of a team environment.

Requirements:

- Ability to work in a refrigerated environment.
- Must be able to stand 85% of the workday at a moving conveyor line.
- Physically fit and able to lift, push, and/or pull, weight of up to 30 lbs. (27kg).
- Basic English is considered an asset.
